

Interview scheduling for **high-performance** teams

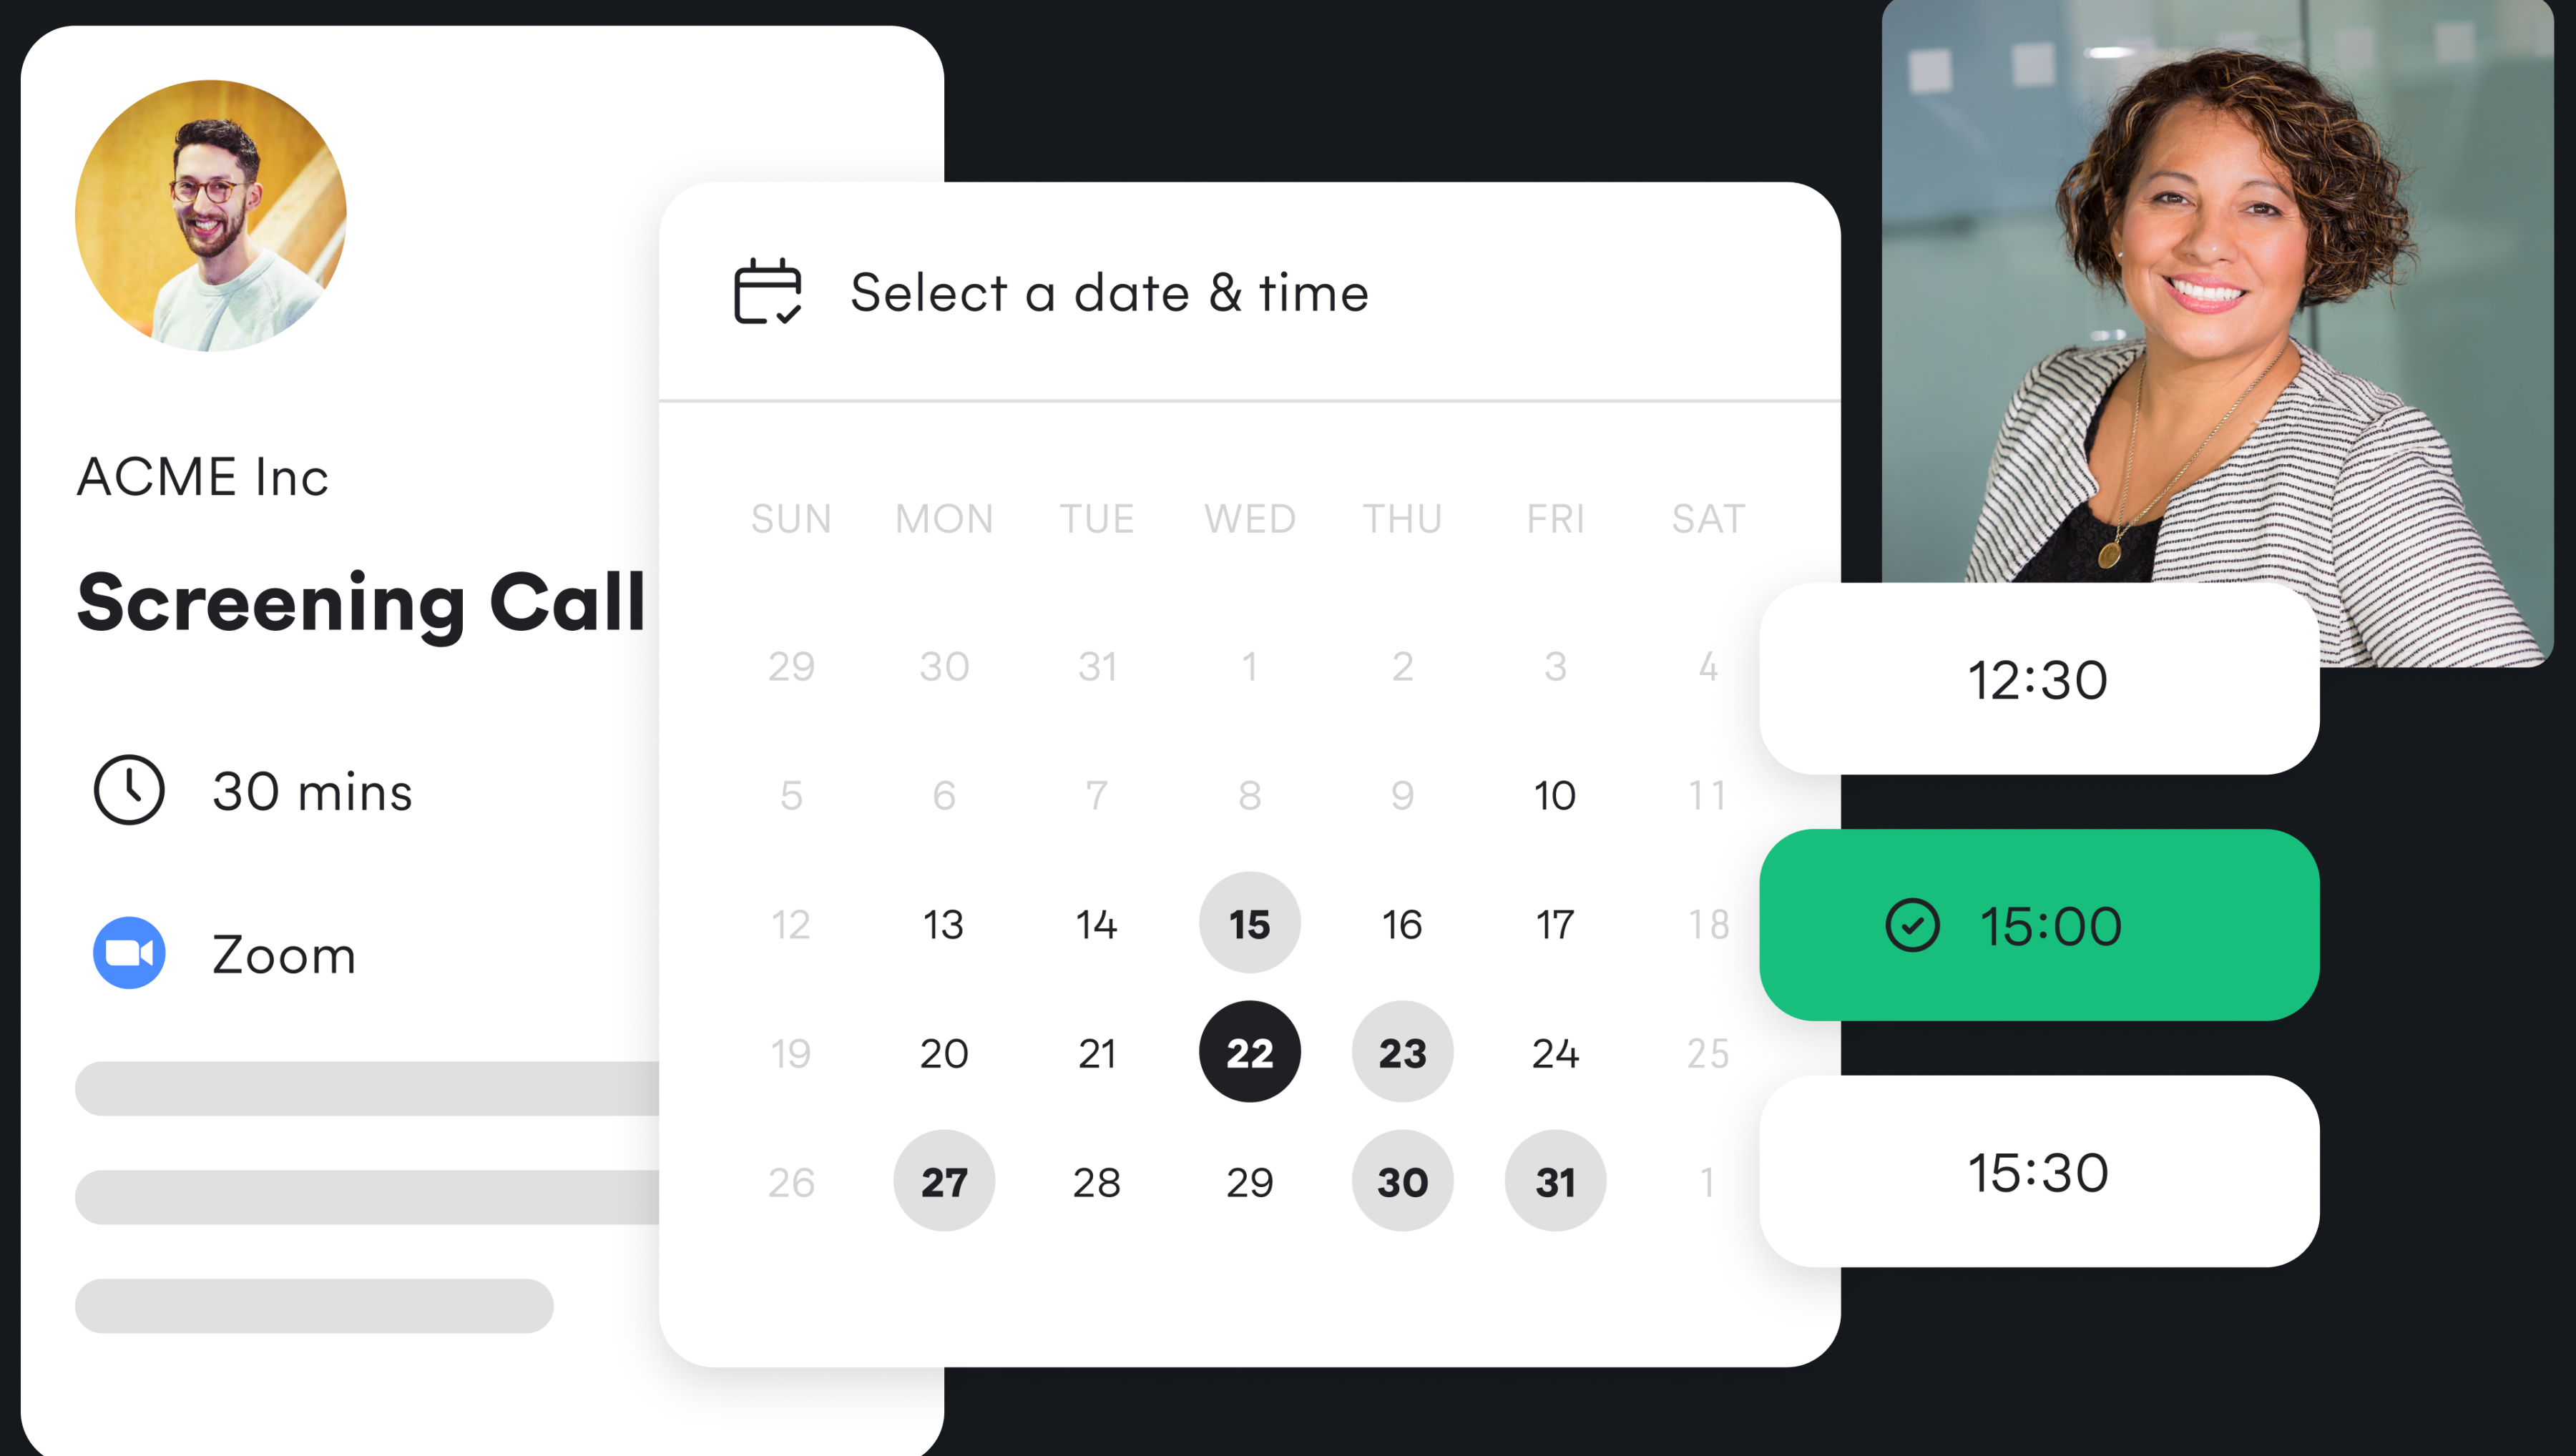

+ cronofy.com
+ sales@cronofy.com

Schedule any interview **95% faster with Cronofy**, no matter how complex.

Our easy-to-implement software is tailored for Talent Acquisition professionals and includes a free browser extension. Schedule from the applications you use everyday.

Empower candidates to choose times that work for them, improve your performance, and **save each recruiter up to 300 hours a year**.

Schedule any type of interview in minutes:

- +
PANEL
- +
SEQUENCED
- +
ONE-TO-ONE
- +
MULTI-PERSON
- +
GROUP

Scheduling that integrates with the ATS you use every day:

“Our recruiters can now own the end-to-end hiring journey. They can make sure that **candidates are having a great experience**, but are able to do it in a much more seamless way. They’re spending a lot less time on the admin, each **saving 5 hours a week** to spend on higher-value tasks.”

Joseph De Garr Wilkinson
Talent and Recruitment Lead

Interview scheduling made easy:

- + Integrate with your ATS
- + Easy rescheduling
- + Book over hiring manager’s blocked times
- + Schedule on behalf of hiring managers
- + Schedule panel and group interviews
- + Scalable tool for growing businesses

We adhere to the highest level of information security standards to ensure that calendars and candidate data are kept private:

ISO 27001
